## VIA ECF-ELECTRONIC CASE FILING

Hon. Lynn Adelman  
United States District Court, Eastern District of Wisconsin  
U.S. Courthouse, Room 126  
517 East Wisconsin Avenue  
Milwaukee, WI 53202-4581

Re: Rave, et al. v. CIOX Health, LLC, et al.  
Case No 2:18-cv-00305-PP

Dear Judge Adelman:

We represent the proposed intervening plaintiffs, Paul R. Dilger, Derrick J. Hammetter, Antoinette M. Vinkavich, and Patricia A. Skrzypchak ("the Dilger plaintiffs"). We previously filed a Motion to Intervene, for a Stay, and for Sanctions (Docket Nos. 33-35). The purpose of the motion was to seek a stay of this case under the Colorado River doctrine based on the fact that this case was subsumed within the Dilger plaintiffs' parallel class action against CIOX Health, LLC, in state court, specifically Dilger v. IOD Inc., Waukesha County Circuit Court Case No. 2017-CV-768 (filed May 5, 2017).

I am writing to inform the Court that we are withdrawing our motion. The Dilger state court action was recently amended and no longer includes class action allegations against CIOX Health, LLC. The Dilger matter is thus no longer parallel with the Rave matter and the Colorado River doctrine no longer applies. Thank you for your attention to this matter.

Yours very truly,

CANNON & DUNPHY, S.C.
